Welcome to the 2026 Maryland Horse Farm Tour!

In collaboration with the Preakness Festival and the First Lady of Maryland, the 151st running of the Preakness will be an internationally recognized celebration drawing participants from around the world. Harnessing Maryland's ability to claim the national spotlight, the Festival's events will increase racing-related tourism while celebrating Maryland's rich horse history.

The Preakness Festival is "More Than a Race" that will transform Maryland into a hub of culture, entertainment, and community engagement and solidify Preakness' place as the premier sporting and cultural event in the state.

The Maryland Horse Breeders Association, Maryland Racing Commission, Maryland Million Ltd., The Maryland Department of Labor, Maryland Department of Agriculture and Maryland Horse Industry Board welcome you to come spend the day where Maryland-bred race horses are grown and enjoy the countryside with your family.

We are connecting you with the horses!

With the dream of the Preakness—the crown jewel of Maryland racing—guiding their journey, every foal carries the hope of future glory. Visit the state's picturesque farms, where mares and their foals roam freely in lush, open fields.
